School of YAML  
October 2014

# **Declaration of Authorship**

This is all my own work, etc. etc.

©me and the University

# Acknowledgements

Lots and lots of people.

# Abstract

This is the abstract: a nice concise plain text description of what is to come.

It can be spread over multiple paragraphs.

# Chapter 1

## Chapter title

### 1.1 First bit

Here are some words about things.

Here is an equation:

$$\exp^{i\pi} + 1 = 0 \tag{1.1}$$

As we can see in equation Equation 1.1.

As we can see in equation (#eq:life)
